The Student Life Office (BVE) at the University of Clermont Auvergne is headed up by the Vice President for Student Affairs and serves as an interface between students and the University.

Reception desk, information and coordination interface

In accordance with its principle of being run by and for students, the Student Life Office is managed by student tutors recruited each semester (why not apply!), whose aim is to inform you about university life and point you in the direction of the right services and organisations.

The Student Life Office contributes the liveliness of the campuses by organising activities itself and by helping dynamic students and the various societies and associations.

At the University of Clermont Auvergne, the Student Life Office is present on two campuses:
