

Du 07 au 22 octobre 2026

Appel à candidatures : Ambassadeurs ARTEMIS – Semestre 2 (2025/2026)

Nous lançons un appel à candidatures pour recruter de nouveaux étudiants ambassadeurs pour ARTEMIS, l'alliance d'Universités Européennes coordonnée par l'Université Clermont Auvergne. Nous recherchons des profils motivés et curieux, prêts à contribuer à la visibilité et à la promotion de l'alliance durant l'année scolaire 2026-2027 !

Les ambassadeurs seront amenés à interagir avec nos partenaires européens et les échanges se dérouleront en anglais : la suite de l'appel à candidatures est donc rédigée en anglais.

Note : Applications are open until October, 19th 2026, 18:00 p.m.

About the ARTEMIS Ambassador Programme

The [ARTEMIS](#) (Alliance for Regional Transition, Equality, Mobility, Inclusion and Sustainability) European University is pleased to announce the opening of applications for Student Ambassadors for the academic year 2026-2027. As an ARTEMIS Ambassador, you will become a vital representative of our European University alliance, promoting values of sustainability, mobility, inclusion, and European identity across your campus community. This is an exceptional opportunity to develop leadership skills, build international networks, and make a meaningful impact on student life while earning academic recognition and professional development opportunities.

The Ambassador role, key responsibilities and benefits

- You serve as a link between ARTEMIS and UCA's students
- Organise and participate at campus events, workshops, and activities promoting ARTEMIS values (such as European citizenship, inclusion and sustainability)
- Create digital content for ARTEMIS social media
- Mentor incoming exchange students and guide peers through ARTEMIS opportunities
- Collaborate with ambassadors from partner universities across the alliance

Time commitment and duration

- Duration: for the academic year 2026 – 2027
- Time commitment: Minimum 5 hours per month (flexible distribution)
- Reappointment: Possible for outstanding ambassadors

Benefits and Recognition

Academic recognition :

- The official ARTEMIS Ambassador Certificate recognizing your service and leadership.
- Open badge Ouverture Internationale : Parcours « Contribuer » recognizing your contribution to the programme

Professional development

- Leadership skills development through event organization and team coordination
- Enhanced intercultural competence through collaboration across 8 partner universities ([Learn about all the 8 universities here](#))
- Communication abilities strengthened through public speaking and content creation
- Project management experience valuable for future academic and professional careers

Networking opportunities

- Connect with ambassadors across all 8 ARTEMIS partner universities
- Integration into ARTEMIS alumni network via LinkedIn
- Participation in exclusive ambassador meetings and development sessions
- Early registration for ARTEMIS courses, events, and mobility opportunities, ARTEMIS Summer camp (held in one of our partner universities' country).
- Travel support for inter-university ambassador exchanges

We look forward to receiving your application! **Students who complete the application form will be contacted later to move forward with the selection process**
