École Universitaire
de Management

DESCRIPTION

Objectives

The IAE Auvergne School of Management, member of the IAE Network, University of Clermont Auvergne – **has established a Centre of Excellence in the field of Education, Research and Training for Accounting and Finance.** This Centre of Excellence has existed for more than 30 years, principally for the studies of Chartered Accountancy and Private Asset Management. The Master’s degrees associated with this distinction have had successful rates of professional integration.

The MSc in Accounting and Finance is a two-year programme (4 semester programme). Students will enter directly in the 2nd year. The two semesters are taught in English and, at the end of the second semester, students have to complete a 3 to 6 months practical training or a Research Project. As indicated by the French Ministry of Education and Research, foreign students will attend a “French as a foreign language” course (20 hours) to help them better integrate and appreciate the French culture.

The objectives of the program include:

- To increase the global mindset and cross-cultural exchange of our student body and improve the international adaptability of our graduates in banks, large corporations and international audit firms.
- To meet the professional expectations and international standards for Accounting and Finance,
- To welcome International students into an all-in-English Accounting and Finance program.

Language

The MSc in Accounting and Finance is offered as an All-in-English program
A French as a foreign language course is compulsory.

ADMISSION

Entry Requirements

- An Honours bachelor's degree in Accounting or a related discipline. Candidates are expected to have received good training in accounting and have a basic knowledge of finance.
- Candidates must have successfully completed 4 years in higher education Institutions, in order to enter the second year of a master's degree: either a four-year bachelor's degree, or a three-year bachelor's degree and one first year of a master's degree.
- Candidates who are not native English speakers or who have not completed their first degree at a university in which the language of teaching is English will match our English Language by holding an English language qualification to the right level: IELTS: 7; TOEFL IBT: 85, Cambridge English advanced certificate, TOEIC 850.
- A letter of motivation is also required that will show the candidate's own academic achievements, his/her special academic interests, why he/she wants to enrol in the programme.

Application

International students will first check if their country of residence belongs to the "EEF Etudes en France procedure countries" list established by Campus France:

<http://www.campusfrance.org/fr/page/a-partir-dun-pays-a-procedure-cef>

In this case, application to the master's degree and for the visa will be done through Campus France AND through the IAE Auvergne School of Management admission procedure :

« Application Form » (<http://iae.uca.fr/>) to fill in and to send to International Office.

If the country of residence does not belong to the "EEF Etudes en France procedure countries" list established by Campus France, and only in this case, students will apply through the IAE Auvergne School of Management admission procedure : « Application Form »

(<http://iae.uca.fr/>) to fill in and to send to International Office.

ORIENTATION

Career Opportunities

Graduates from the MSc in Accounting and Finance will work as professional accountants and auditors in big international Accounting, Auditing and Finance firms as well as private or public organisations, governments, international financial institutions or the private sector (banks, finance, firms), NGOs...

ADDITIONAL INFORMATION

More on Why You Should Study this Program

Research Opportunities

The Master's degree is an intensive training leading to a specialization and high-level professional career. The student can also prepare for research, through doctoral studies.

Professors

The programme relies on the expertise of professors in accounting from the School of Management, University of Auvergne, and researchers affiliated to the Centre of Excellence in the field of Education, Research and Training for Accounting and Finance.

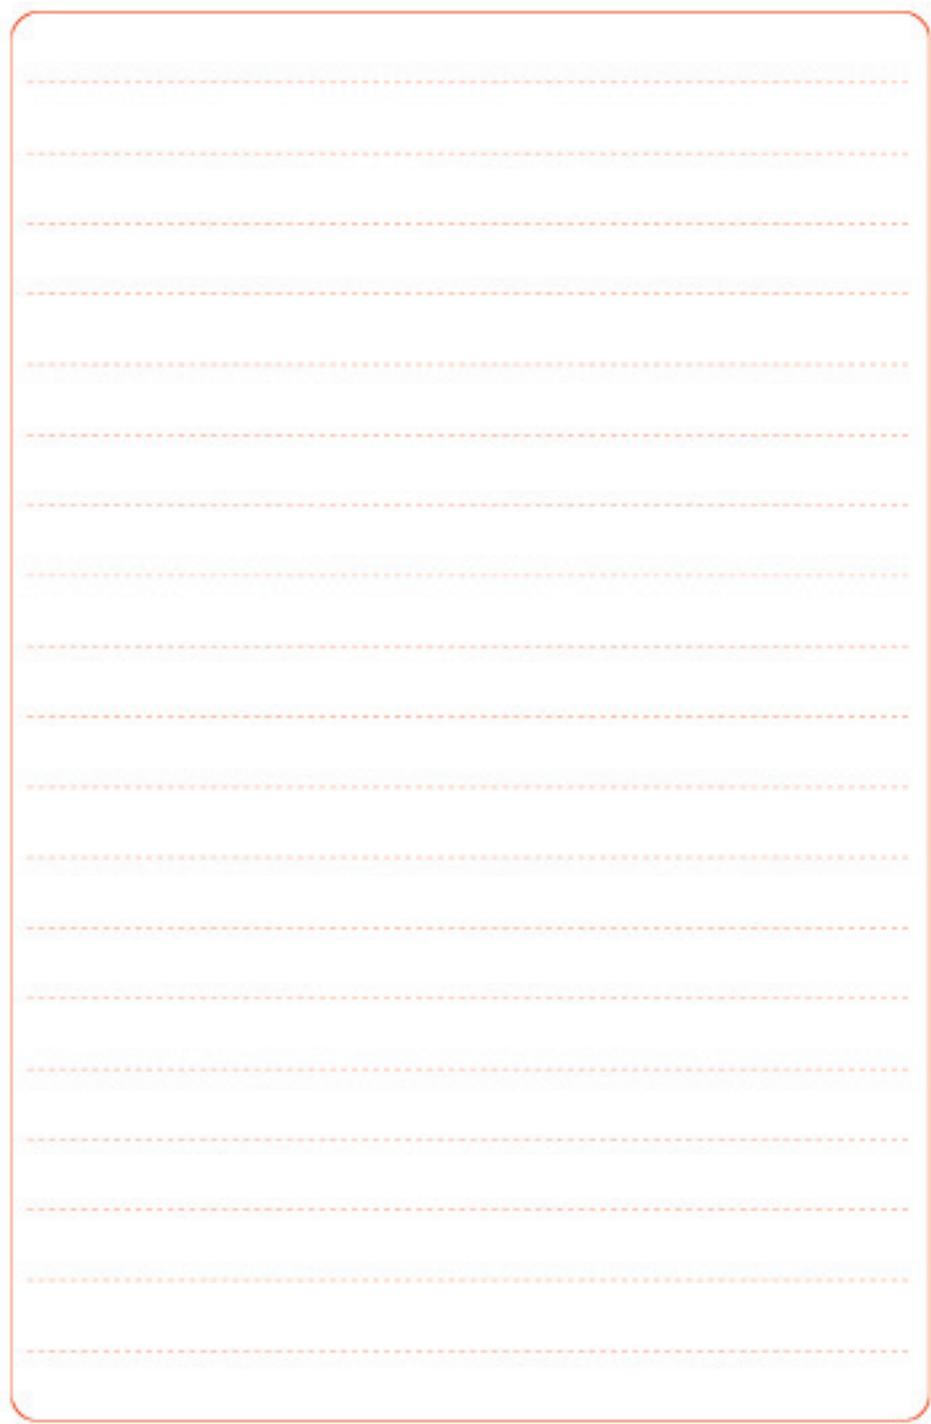

Several guest professors from prestigious partner universities and professionals also teach in these Master programmes.

The Advantages of Studying at University of Clermont Auvergne

In a unique, natural setting located at the crossroads of Europe, the University of Clermont Auvergne is a multidisciplinary institution centred on two major fields: law - economics, management and sciences, and health - technology.

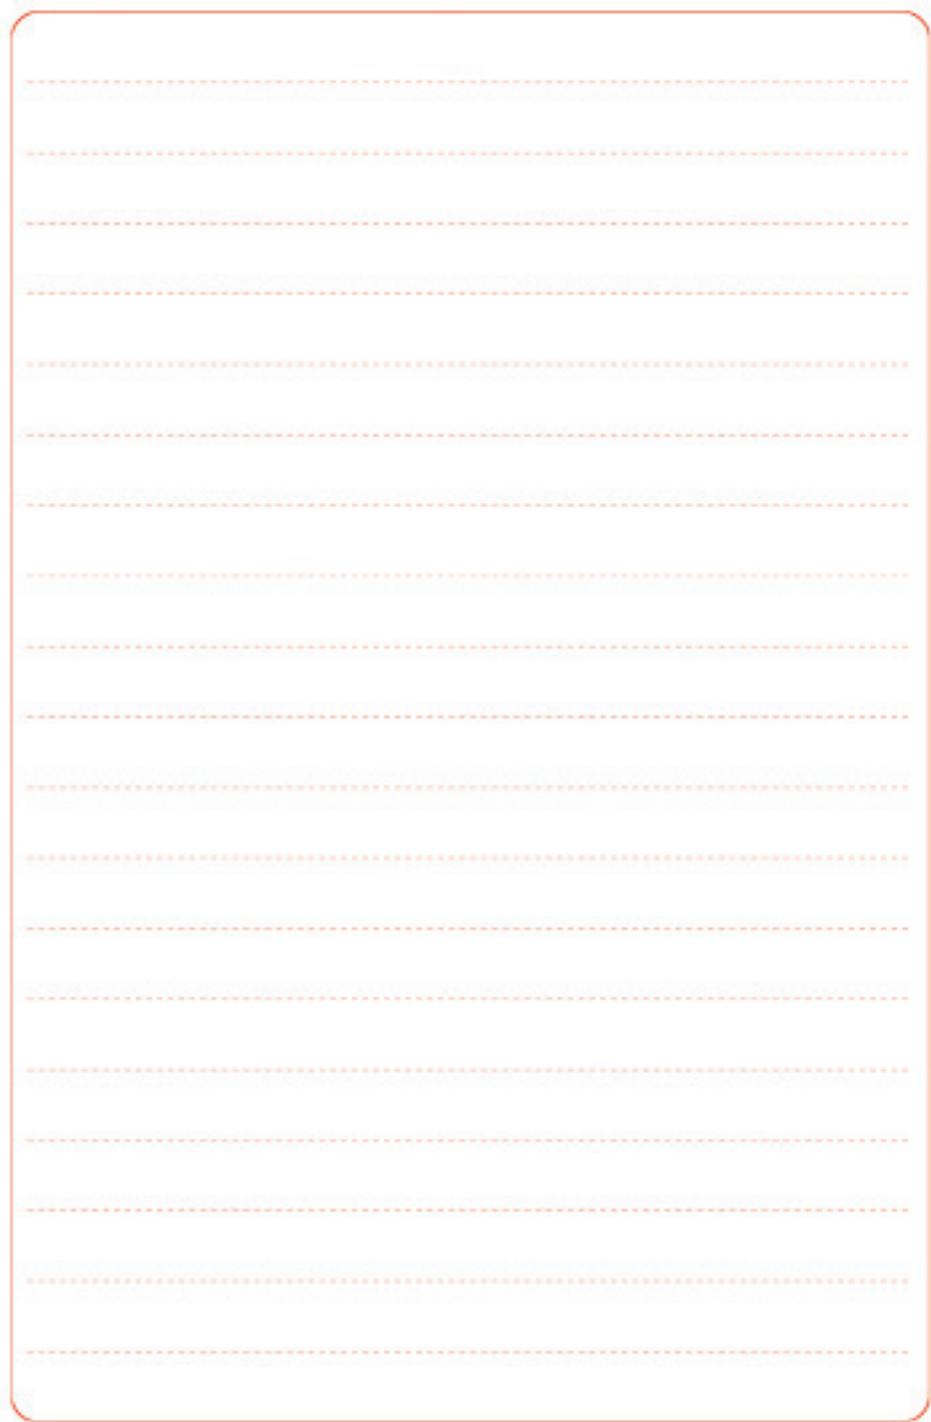

There are approximately 35,000 students, 2000 professor-researchers, 36 laboratories or research centers.

- The university is regularly ranked amongst the best French universities.
- A very helpful and enthusiastic staff will welcome you and help you deal with all different issues including: housing, insurance...
- Situated in the valley of Auvergne's volcano park, the university offers excellent conditions for study and work in a green region overflowing with a vibrant cultural and sporting life.
