Dashboard

The main screen of your ENT consists in different widgets. It allows faster access to different information. In particular, you will find a quick link to your mailbox, to the UCA news or to your timetable.

Main screen

The «Mailbox» widget allows you to access your mailbox and agenda.

The «Advertising» widget is used to promote the highlights of the University (such as contests, news, etc...)

The «individualised timetable» widget allows you to see the next lessons according to your settings.

The «News» widget lists all the information from the University and its departments. You can configure your feed.

Mobile version

The ENT portal can be used directly on your mobile. You can easily navigate through the main widgets (Messaging, schedule, news) and access the main menu by clicking on the top right icon.

Practical tips

To check your mailbox, we advise you to configure your mailbox directly on your mobile.

Find all the sub-sections in the menu located at the top right of your screen.

You can also install the MyUCA mobile app to access your timetable.
3. Services

Mailbox

Your full registration gives you access to a university email address (@etu.uca.fr). All the official information from the University will be sent to this address, so it’s very important to check it regularly. The use of this address is highly recommended in all your exchanges with university staff and the professional world.

Configure my email address on my smartphone

For better use of messaging on your mobile, configure your settings to receive your emails on your smartphone. (Android or iPhone)

Click to configure my email address on my Android smartphone

Click to configure my email address on my iPhone
